District Policies

Equal Employment Opportunity and Minority Recruitment (5:10)

The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; use of lawful products while not at work; being a victim of domestic or sexual violence; genetic information; physical or mental handicap or disability if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is established bona fide occupational requirement of a particular position; or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCL 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's Nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and

Effective Date: January 17, 2019

universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Employment At-will (5:270)

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing non-licensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Staff Reduction Notices

If an educational support personnel employee is removed or dismissed or the hours he or she works are reduced as a result of a decision of the Board of Education (i) to decrease the number of educational support personnel employees employed by the Board or (ii) to discontinue some particular type of educational support service, written notice shall be mailed to the employee and also given to the employee either by certified mail, return receipt requested, or personal delivery with receipt, at least 30 days before the employee is removed or dismissed or the hours he or she works are reduced, together with a statement of honorable dismissal and the reason therefore if applicable. However, if a reduction in hours is due to an unforeseen reduction in the student population, then the written notice must only be mailed and given to the employee at least 5 days before the hours are reduced. The employee with the shorter length of continuing service with the District, within the respective category of position, shall be dismissed first. If the Board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category or any other category of position, so far as they are qualified to hold such position.

Workplace Harassment Prohibited (5:20)

The School District expects the workplace environment to be productive, respectful, and free of unlawful harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10 *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20 *Harassment of Students Prohibited*.

Sexual Harassment Prohibited

The School District shall provide a workplace environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

District employees shall not make sexual advances or request sexual favors or engage in any conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes verbal or physical conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint: Enforcement

A violation of this policy will result in discipline or discharge. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge. An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing bona fide complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in sexually harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of sexual harassment to the Nondiscrimination Coordinator and/or use the Board policy 2.260, *Uniform Grievance Procedure*.

Employees may choose to report to a person of the employee's same sex. There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Abused and Neglected Child Reporting (5:90)

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student ages 18 through 21, an abused or neglected individual with a disability, shall immediately (1) report such a case to the Illinois Department of Children and Family services on its Child Abuse Hotline 800/25-ABUSE or 217/524-2606, and (2) follow any additional directions given by the Illinois Department of Children and Family Services to complete a report. The employee shall also promptly notify the Superintendent or building Principal that a report has been made. All District employees shall sign the "Acknowledgement of Mandated Reporter Status" form provided by the Illinois Department of Child and Family Services (DCFS) and the Superintendent or designee shall ensure that the signed forms are retained. The Superintendent or designee shall ensure that the signed forms are retained. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource office (SRO), and/or local law enforcement.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 800/843-5678, or online at www.cybertipline.com. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

The Superintendent shall execute the requirements in Board Policy 5:150, Personnel Records, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

The Superintendent shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the District as a result of an act that made a child an abused or neglected child. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent or designee shall provide staff development opportunities for school personnel working with students in grades kindergarten through 8, in the detection, reporting, and prevention of child abuse and neglect.

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse.

Education of Homeless Children (6:140)

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the McKinney Homeless Assistance Act and State Law. The Superintendent shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation.

A homeless child may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship.

Transportation shall be provided in accordance with the McKinney Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school.

If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial.

Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless Children shall, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

Release of Students to Authorized Individuals (7:90)

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

Early Dismissal Announcement

The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

Student Records (7:340)

School student records are confidential and information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings that are created in part for law enforcement, security, or safety reasons or purposes; and electronic recordings made on school buses.

State and federal law grant students and parent(s)/guardian(s) certain rights, including the right to inspect, copy, and challenge school records. The information contained in school student records shall be kept current, accurate, clear and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The district may release directory information as permitted by law, but parent(s)/guardian(s) shall have the right to object to the release of information regarding their child. However, the District will comply with an ex parte court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the students' parent(s)/guardian(s).

The Superintendent shall implement this policy with administrative procedures. The Superintendent shall also designate a *records custodian* who shall maintain student records. The Superintendent or designee shall inform staff members of this policy, and shall inform students and their parent(s)/guardian(s) of it, as well as their rights regarding student school records.

Student Records Defined

A student record is any record that contains personally identifiable information or other information that would link the document to an individual student if it is maintained by the District, except records kept: (1) in a school staff member's sole possession destroyed not later than the student's graduation or permanent withdrawal, and not accessible or revealed to any other person except a temporary substitute teacher, or (2) by law enforcement officials working in the school.

Maintenance of School Student Records

The District maintains 2 types of school records for each student: a permanent record and a temporary record.

The *permanent record* shall include:

- Basic identifying information
- Academic transcripts
- Attendance record
- Accident/health reports
- Information pertaining to release of this record
- Honors/awards
- School-sponsored activities/athletics

No other information shall be placed in the permanent record. The permanent record shall be maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District.

The *temporary record* may include:

- Family background
- Intelligence/aptitude scores
- Psychological reports
- Participation in extracurricular activities
- Honors/awards
- Teacher anecdotal records
- Disciplinary information, specifically including information regarding an expulsion, suspension, or other punishment for misconduct involving drugs, weapons, or bodily harm to another
- Special education files
- Verified reports or information from non-educational persons
- Verified information of clear relevance to the student's education
- Information pertaining to release of this record

Information in the temporary record will indicate authorship and date. The District will maintain the student's temporary record no longer than 5 years after the student transferred, graduated, or permanently withdrew. Temporary records which may be of assistance to a student with disabilities who graduates or permanently withdraws from the District, may, after 5 years, be transferred to the parent(s)/guardian(s) or to the student, if the student has succeeded to the rights of the parent(s)/guardian(s).

The Building Principal shall be responsible for the maintenance, retention, or destruction of a student's permanent or temporary records. Upon a student's graduation, transfer, or permanent withdrawal, the Building Principal or designee shall notify the parent(s)/guardian(s) and the student when the student's permanent and temporary school records are scheduled to be destroyed and of their right to request a copy. Student records shall be reviewed at least every 4 years, or upon a student's change in attendance centers, whichever occurs first, to verify entries and correct inaccurate information.

The District uses students' Social Security numbers for intra-school identification purposes, if at all. However, school officials may not require students or their parent(s)/guardian(s) to provide them. Absent a court order or subpoena, school officials do not provide educational records to the Immigration and Naturalization Service.

Access to Student Records

The District shall grant access to student records as follows:

1. Neither the District nor any of its employees shall release, disclose, or grant access to information found in any student record except under the conditions set forth in the Illinois School Student Records Act.
2. The parent(s)/guardian(s) of a student under 18 years of age, or designee, shall be entitled to inspect and copy information in the child's school records; a student less than 18 years old may inspect or copy information in the student's permanent school record. Such requests shall be made in writing and directed to the records custodian. Access to the records shall be granted within 15 days of the District's receipt of such a request.

Where the parents/guardians are divorced or separated, both shall be permitted to inspect and copy the student's school records unless the District has actual notice of a court order indicating otherwise. The District shall send copies of the following to both parents/guardians at either one's request, unless the District has actual notice of a court order indicating otherwise:

- a. Academic progress reports or records;
- b. Health reports;
- c. Notices of parent-teacher conferences;
- d. School calendars distributed to parents/guardians; and
- e. Notices about open houses, graduations, and other major school events including pupil-parent(s)/guardian(s) interaction.

When the student reaches 18 years of age, graduates from high school, marries, or enters military service all rights and privileges accorded to a parent(s)/guardian(s) become exclusively those of the student.

Access shall not be granted the parent(s)/guardian(s) or the student to confidential letters and recommendations concerning the admission to a post-secondary educational institution, applications for employment or the receipt of an honor or award which have been placed in the records prior to January 1, 1975, provided such letters and statements are not used for purposes other than those for which they were specifically intended. Access shall not be granted to such letters and statements entered into the record at any time if the student has waived his or her right of access after being advised of his or her right to obtain the names of all persons making such confidential letters and statements.

3. The District may grant access to, or release information from, student records without parental/guardian consent or notification to employees or officials of the District or the Illinois State Board of Education, provided a current, demonstrable, educational or administrative need is shown. Access in such cases shall be limited to the satisfaction of that need.
4. The District may grant access to, or release information from, student records without parental/guardian consent or notification to any person for the purpose of research, statistical reporting, or planning, provided that not student or parent(s)/guardian(s) can be identified from the information released, the person to whom the information is released signs an affidavit agreeing to comply with all applicable statutes and rules pertaining to school student records.
5. The District shall grant access to or release information from a student's records pursuant to a court order, provided that the parent(s)/guardian(s) shall be given prompt written notice of such order's terms, the nature and substance of the information proposed to be released, and an opportunity to inspect and copy such records and to challenge their contents.
6. The District shall grant access to or release information from any student record as specifically required by federal or State statute.
7. The District shall grant access to or release information from student records to any person possessing a written, dated consent, signed by the parent(s)/guardian(s) or eligible student stating to whom the records may be released, the information or record to be released, and the reason for the release. One copy of the consent form will be kept in the records and one shall be mailed to the parent(s)/guardian(s) or eligible student by the Superintendent. Whenever the District requests the consent to release certain records, the records custodian shall inform the parent(s)/guardian(s) or eligible student of the right to limit such consent to specific portions of information in the records.
8. The District may release student records to the records custodian of another Illinois school, or an official with similar responsibilities in a non-Illinois school, in which the student has enrolled or intends to enroll, upon written request from such official.
9. Prior to the release of any records or information under items 6 and 8 above, the District shall provide prompt written notice to the parent(s)/guardian(s) or eligible student of this intended action. This notification shall include a statement concerning the nature and substance of the records to be released

and the right to inspect, copy, and challenge the contents. If the release is under 6 above and relates to more than 25 students, a notice published in the newspaper is sufficient.

10. The District may release student records or information in connection with an emergency without parental consent if the knowledge of such information is necessary to protect the health or safety of the student or other persons. The records custodian shall make this decision taking into consideration the nature of the emergency, the seriousness of the threat to the health or safety of the student or other persons, the need for such records to meet the emergency, and whether the persons to whom such records are released are in a position to deal with the emergency. The district shall notify the parent(s)/guardian(s) or eligible student as soon as possible of the information released, the date of the release, the person, agency or organization to whom the release was made, and the purpose of the release.
11. The District shall grant access to or release information from student records to juvenile authorities when necessary for the discharge of their official duties upon their request prior to adjudication of the student, provided they certify in writing that the information will not be disclosed to any other party except as provided under law or order of court. "juvenile authorities" means: (a) a judge of the circuit court and members of the staff of the court designated by the judge; (b) parties to the proceedings under the Juvenile Court Act of 1987 and their attorneys; (c) probation officers and court appointed advocates for the juvenile authorized by the judge hearing the case; (d) any individual, public or private agency having custody of the child pursuant to court order; (e) any individual, public or private agency providing education, medical or mental health service to the child when the requested information is needed to determine the appropriate service or treatment for the minor; (f) any potential placement provider when such release is authorized by the court for the limited purpose of determining the appropriateness of the potential placement; (g) law enforcement officers and prosecutors; (h) adult and juvenile prisoner review boards; (i) authorized military personnel; and (j) individuals authorized by court.
12. The District shall grant access to, or release information from student's records, to a SHOCAP (Serious Habitual Offender Comprehensive Action Program) committee member, provided that:
 - a. The committee member is a State or local official or authority,
 - b. The disclosure concerns the juvenile justice system's ability to effectively serve, prior to adjudication, the student whose records are to be released and the official or authority certifies in writing that the records will not be disclosed to any other party except as provided under State law without the prior written consent of the student's parent(s)/guardian(s).
 - c. The disclosure's purpose is limited to identifying serious habitual juvenile offenders and matching those offenders with community resources pursuant to Section 5-145 of the juvenile Court Act of 1987, and
 - d. The release, transfer, disclosure, or dissemination consistent with the Family Educational Rights and Privacy Act.
13. The District charges \$.10 per page for copying information in the student's records. No parent(s)/guardian(s) or student shall be precluded from copying information because of financial hardship.
14. A record of all releases of information from student records (including all instances of access granted whether or not records were copied) shall be kept and maintained as part of such records. This record shall be maintained for the life of the student record and shall be accessible only to the parent(s)/guardian(s) or eligible student, records custodian, or other person. The record of release shall include:
 - a. Information released or made accessible.
 - b. The name and signature of the records custodian.

- c. The name and position of the person obtaining the release or access.
- d. The date of the release or grant of access.
- e. A copy of any consent to such release.

Directory Information

The District may release certain directory information regarding students, except that parent(s)/guardian(s) may prohibit such a release. Directory information shall be limited to:

- Name
- Address
- Gender
- Grade level
- Birth date and place
- Parents'/guardians' names and addresses
- Academic awards, degrees, and honors
- Information in relation to school-sponsored activities, organizations, and athletics
- Major field of study
- Period of attendance in school

The notification to parent(s)/guardian(s) and students concerning school records will inform them of their right to object to the release of directory information.

Student Record Challenges

The parent(s)/guardian(s) may challenge the accuracy, relevancy or propriety of the records. However when the student's school records are being forwarded to another school, no challenge may be made to grades or references to expulsions or out-of-school suspensions. They have the right to request a hearing at which each party has the right to:

- Present evidence and to call witnesses;
- Cross-examine witnesses;
- Counsel;
- A written statement of any decision and the reasons therefor; and
- Appeal an adverse decision to an administrative tribunal or official to be established or designated by the State Board.

The parent(s)/guardian(s) may insert a written statement of reasonable length describing their position on disputed information. The school will include a copy of the statement in any release of the information in dispute.

Fingerprinting and Criminal Background Checking Policy

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Statewide Child Murderer and Violent Offender Against Youth Database are performed on each employee as required by School Code. A copy of the record of convictions obtained from the Illinois State Police may be provided by the District to the applicant and the Superintendent or designee shall notify the applicant if the applicant is identified in either database. Any information concerning the record of convictions obtained by the District shall be confidential and may only be transmitted or shared with the President of the School Board, Superintendent or his designee, Regional Superintendent, State Superintendent, State Teacher Certification Board, or any other person necessary to the hiring decision.

The District retains the right to not employ or to discharge any employee who makes any false or misleading statement on, or omits facts from, his or her employment application or documents, if there is any criminal

history records check, Statewide Sex Offender Database check, Statewide Child Murderer and Violent Offender Against Youth Database check, or background investigation, or if the District is prohibited from employing the employee under Section 10-21.9 of the Illinois School Code.

Accident Reporting and Investigation

Employees must report any accident or injury to their building administrator immediately following the accident or injury. Employees will assist in completing an accident/injury report and update administration regarding recovery from accidents or injuries following doctor visits. The Administration will investigate all accidents and injuries and report to the Superintendent efforts to prevent any further accidents and injuries.

Drug and Alcohol Free Workplace (5:50)

All District workplaces are drug- and alcohol-free workplaces. All employees shall be prohibited from:

- Unlawful manufacture, dispensing, distribution, possession, use, or being under the influence of a controlled substance while on District premises or while performing work for the District.
- Distribution, consumption, use, possession, or being under the influence of alcohol while on District premises or while performing work for the District.

For purposes of this policy a controlled substance is one that is:

- Not legally obtainable
- Being used in a manner different than prescribed
- Legally obtainable, but has not been legally obtained; or
- Referenced in federal or State controlled substance acts

As a condition of employment, each employee shall:

- Abide by the terms of the District policy respecting a drug and alcohol-free workplace; and
- Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than 5 days after such a conviction.

In order to make employees aware of dangers of drug and alcohol abuse, the District will:

First impressions are very important and when answering the phone employees shall greet the caller with "Good Morning or Good Afternoon, Richland County CUSD #1, John/Jane Doe speaking." Employees who answer the phone should do so promptly and in a businesslike manner. Employees will be held responsible for paying for all non-business-related long distance phone calls.

Cellular Phone Policy

This policy outlines the use of personal cell phones at work, the personal use of District cell phones and the safe use of cell phones by employees. This policy applies to phone calls, text messaging, pictures, etc.

Personal Cellular Phones

While at work employees are expected to exercise the same discretion in using personal cellular phones as is expected for the use of District phones. Excessive personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are therefore encouraged to make personal calls on non-work time where possible and to ensure that friends and family members are aware of the District's policy. Flexibility will be provided in circumstances demanding immediate attention.

The District will not be liable for the loss of personal cellular phones brought into the workplace.

Personal Use of District-Provided Cellular Phones

Where job responsibilities or District needs demand immediate access to an employee the District may issue a District cell phone to an employee for District-related communications. In order to protect the employee from incurring a tax liability for the personal use of this equipment, employees will be required to reimburse the District for any personal calls on a District issued cell phone. Phone logs will be audited regularly to ensure compliance with this policy.

Safety Issues for Cellular Phone Use

Employees whose job responsibilities include regular or occasional driving and who are issued a cell phone for District use are expected to use good judgment in using their cell phone. Safety must come before all other concerns. Regardless of the circumstances, including slow or stopped traffic, employees are strongly encouraged to pull off to the side of the road and safely stop the vehicle before placing or accepting a call. If acceptance of a call is unavoidable and pulling over is not an option, employees are expected to keep the call short, use hands-free options if available, refrain from discussion of complicated or emotional discussions and keep their eyes on the road. Special care should be taken in situations where there is traffic, inclement weather, or the employee is driving in an unfamiliar area.

Employees whose job responsibilities do not specifically include driving as an essential function, but who are issued a cell phone for District use, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves at risk to fulfill District needs.

Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

strictest confidence by the Team, with only the employee's direct supervisors being informed of the employee's medical condition and anyone with a need to know in the event of an emergency.

Employees with a communicable or chronic infectious disease will be permitted to retain their positions whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. Employees who cannot retain their positions shall remain subject to the Board's employment policies including sick leave, physical examinations, temporary and permanent disability, and termination. Determining whether an employee with a communicable or chronic infectious disease may retain his or her position will be made in accordance with established procedures.

The recommendation of whether the employee's placement is appropriate shall be made on a case-by-case basis by the District's Communicable and Chronic Infectious Disease Review Team.

Bloodborne Pathogens

The District recognizes the potential risk its staff has to accidental occupational exposure to bloodborne pathogens and desires to educate and protect employees to minimize the possibility of exposure. The Bloodborne Pathogens Exposure Control Plan contains specific information regarding the District's policies and procedures.

All employees of the District are instructed as to the correct handling of body fluids and tissue. All positions in the District have been categorized into classifications to determine the likelihood of occupational exposure to blood, body fluids or tissue from other people. Classification I employees hold positions in which required tasks routinely involve a potential for that exposure. These employees and all others who are involved in an exposure incident are entitled to receive vaccinations for Hepatitis B at the District's expense. Classification I employees receive a handbook and appropriate cleanup materials to properly handle incidents.

No School district employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "*School Medication Authorization Form*" is submitted by the student's parent/guardian. Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess an epinephrine auto-injector (EpiPen®) and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a "*School Medication Authorization form*." Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in section 22-30(c) of the School Code apply.

No one, including without limitation parents/guardians of students, should rely on the District for the availability of an epinephrine auto-injector. “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is worked in excess of 40 hours in a single workweek.

Overtime

The School Board discourages overtime work by non-exempt employees. A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall:

1. Monitor overtime use on a weekly basis and report such use to the business office,
2. Seek the Superintendent or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated,
3. Ensure that overtime provisions of this policy and the FLSA are followed, and
4. Ensure that employees are compensated for any overtime worked.

Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Certificated employees may be suspended without pay in accordance with Board policy 5:240, *Professional Personnel - Suspension*. Non-certificated employees may be suspended without pay in accordance with Board policy 5:290, *Educational Support Personnel - Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Employment Termination and Suspensions (5:290)

Resignation and Retirement

Employees should provide 2 weeks termination notice except when the best interests of the District require otherwise. In most cases, resigning employees should be permitted to work to

their effective resignation date. A resignation notice cannot be revoked once accepted or otherwise acted upon (such as, a new employee was hired).

Retirement

An employee planning to retire should notify his or her supervisor at least 2 months before the retirement date. A copy of the notification should be given to the Superintendent.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any reason, subject to State and federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit or vacation time taken that was not earned. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the third business day following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Reporting Absences & Attendance

To maintain a productive work environment, the District expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the District. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their supervisor as soon as possible before they are scheduled to work.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including discharge. Absence of three working days without reporting will be considered a voluntary resignation.

Employment Record/Employee Status Changes

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency must to be turned into the Unit Office as soon as possible in order to keep your records current.

Compensation Policies

Payroll Period/Time Cards/Pay Day

All non-exempt employees are paid bi-monthly (24 pay dates per year) on the 5th and 20th of each month. Each pay summary will include earnings for all work performed through the end of the previous payroll period.

We provide direct deposit for all employees to simplify payroll processing. Employee's payroll earnings will be deposited directly into their checking or savings account as designated on the payroll deduction authorization form and acknowledged on the payroll record. Please note that the District deposits payroll earnings to our main bank, which is subsequently deposited to employees individual banks based on the schedule for posting at each local banking facility.

Accurately recording time worked is the responsibility of every non-exempt employee. Time worked is all the time actually spent on the job performing assigned duties. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including discharge. Both the administrator/supervisor and the employee can be held responsible for any of these dishonest actions, which may result in criminal prosecution. All non-exempt employees shall ensure accurate reporting of hours worked and shall sign completed time record.

The building administrator/supervisor will review and then sign the time record before submitting it to payroll for processing. In addition, if the employee makes corrections or modifications to the time record, the administrator/supervisor must verify the accuracy of the changes by signing the time record. Time is calculated by using a fifteen-minute interval for determining "hours worked" and recording of time worked by all non-exempt employees.

Meal & Break Periods (5:300)

An employee who works at least 6.5 continuous hours shall receive a 30-minute duty-free meal break that begins within the first 5 hours of the employee's workday.

Expenses (5:60)

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related

to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from

- transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
 5. Taxis, airport limousines, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Benefits

Holidays (5:330)

Unless the District receives a waiver or modification of The School Code pursuant to Section 2-3.25g, allowing it to schedule school on a holiday listed below, District employees will be paid for, but will not be required to work on:

New Year's Eve	New Year's Day
Martin Luther King Jr.'s Birthday	Abraham Lincoln's Birthday
Casimir Pulaski's Birthday	Good Friday
Monday following Easter	Memorial Day
Independence Day	Labor Day
Columbus Day	Veteran's Day
Thanksgiving Day	Friday following Thanksgiving
Christmas Eve	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a legal school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Religious Holidays (5:70)

Supervisors shall grant an employee's request for time off to observe a religious holiday if the employee gives at least 5 days prior notice and the absence does not cause an undue hardship.

Employees may use earned vacation time, holiday time, or personal leave to make up the absence. A per diem deduction may also be requested by the employee.

Sick Leave (5:330)

Full or part-time educational support personnel who work at least 600 hours per year receive paid sick leave as per the table below. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave may accumulate.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a licensed physician to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days, for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

All employees' unused sick leave shall, upon separation from employment be credited to IMRF for service credit purposes. Effective July 1, 2021, upon retirement, resignation, or termination of employment, the Board agrees to pay educational support employees for unused accumulated sick leave which is not used for service credit to IMRF at the rate of \$50.00 per day up to a maximum on-time benefit of \$5,000.00. No employee shall be compensated a benefit for unused sick leave in excess of \$5,000.00. Employees may choose to turn in unused sick leave for compensation (up to a maximum of \$5,000.00 at a rate of \$50.00 per day) in lieu of the District reporting sick leave to IMRF for service credit. Uncompensated sick days will be reported to IMRF on behalf of the non-certified employee for service credit with IMRF upon retirement. An employee desiring post-employment compensation (which shall be paid no earlier than sixty (60) days following issuance of the employee's final paycheck) for unused and uncredited accumulated sick leave shall notify the Board not later than his or her final date of work that he or she intends to be paid for the sick leave in lieu of unused sick leave being reported to IMRF on his or her behalf.

If an eligible employee notifies the Board in writing no later than sixty (60) days in advance of his or her intended resignation and retirement, compensation for unused sick leave will be added to the employee's IMRF creditable earnings before the issuance of the employee's final paycheck so that IMRF creditable compensation for the 12 month period preceding such resignation and retirement increases up to a maximum of a gross total six percent (6%) increase in total IMRF creditable earnings over the prior year's income. Any unused and uncredited to IMRF sick leave monies that are not paid to the employee is his or her final paycheck because of the 6% limit will be considered a post-retirement severance benefit and will be paid to the employee no earlier than the 60th day following the employee's last day of work. The purpose of such post-retirement payment is to avoid pension penalties, excess contributions, or accelerated payments, and to shelter and shield the amount paid from retirement credit. In the event a penalty or accelerated assessment is charged to the District, the amount of the compensation provided for hereinabove shall be immediately reduced to fall within that penalty, and the parties shall meet to discuss how the Board will comply with the award of sick leave compensation set forth above in a manner which will not cause a pension payment or liability.

Personal Leave (5:330)

Full-time educational support personnel have three personal leave days per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency for unavoidable situations, a personal leave request should be submitted to the Building Principal 3 days in advance of the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last 5 days of the school year, unless prior approval is granted by the Superintendent.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave days are subject to any necessary replacement's availability.
5. Personal leave days may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Illinois Municipal Retirement Fund in accordance with 105 ILCS 5/24-6.3.9

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in Board policy 5:250, Leaves of Absence:

1. Leaves for Service in the Military and General Assembly
2. School Visitation Leave
3. Leaves for Victims of Domestic or Sexual Violence
4. Child Bereavement Leave
5. Leave to serve as an election judge

Vacation (5:330)

Twelve-month employees shall be eligible for paid vacation days as per the table below. Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Any exceptions must be pre-approved by the Superintendent.

Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Category	Employment Period	# of Sick/ Bereavement Days	# of Personal Days	# of Vacation Days	Holidays
Teacher aides, teacher assistants, supervision aides	174 days	12	3	0	0 non-paid

Child Bereavement Leave (5:250)

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements

necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Compensatory Time-Off (5:310)

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 40 hours. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off. Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

The District will contribute the amount designated by the IMRF in the name of the employee. Employees who are expected to work less than 600 hours/year are considered nonparticipating members of the Fund.

Employees interested in disability, cancer, or intensive care insurance may purchase this on their own running the premiums through our payroll deduction program. The District offers this as an administrative service only to the employee. Inquires relating to any ancillary insurance should be directed to the insurance agent. The District makes no representations with respect to any ancillary insurance coverage and any administrative assistance provided shall not be construed as endorsing such insurance coverage. For more information, please contact the office.

COBRA Insurance

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits
- The participant and spouse become divorced
- The participant and spouse become legally separated
- A participant's child ceases to be a dependent under the plan

Flexible Spending Accounts (Section 125)

Employees can save tax dollars by enrolling in this multi-option plan. This account allows employees to withhold pre-tax dollars from their paycheck to pay:

1. Group Health Insurance Premiums

2. Medical Reimbursement, including dental and optical expenses, out-of-pocket expenses such as meeting deductibles, etc.
3. Child or dependent care expenses
4. Premiums for any qualified individual ancillary insurance (disability coverage may not be deducted pretax) you may have purchased.

The benefits eligibility date must have been reached for this benefit to become effective. Elections may only be changed during the annual election period, which is from November to December of each year. Allowable expenses include only those that were incurred during the plan year. Expenses may be submitted up to 60 days following the end of the plan year. Contributions not used will be forfeited in accordance with federal law.

Court Duty (5:80)

The District will pay full salary during the time an employee is absent due to court duty or, pursuant to a subpoena, serves as a witness or has a deposition taken in any school-related matter pending in court.

The District will deduct any fees that an employee receives for such duties, less mileage and meal expenses, from the employee's compensation, or make arrangements for the employee to endorse the fee check to the District.

An employee should give at least 5 days' prior notice of pending jury duty to the District.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

Any employee whose absence from employment is necessitated by reason of service in the uniformed services will be granted an unpaid leave of absence and will have the right to be reemployed if he or she:

- Ensures that the District receives advance written or verbal notice of his or her service;
- Has five years or less of cumulative service in the uniformed services while with the District;
- Returns to work or applies for reemployment in a timely manner after conclusion of service; and
- Has not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the District have so changed as to make it impossible or unreasonable to do so.

Performance Evaluation (5:320)

The Superintendent is responsible for designing and implementing a program for evaluating the job performance of each educational support staff member according to standards contained in School Board policies as well as in compliance with State law and any applicable collective bargaining agreement. The standards for the evaluation program shall include, but not be limited to:

1. Each employee shall be evaluated annually, preferably before the annual salary review.
2. The direct supervisor shall provide input.
3. The employee's work quality, promptness, attendance, reliability, conduct, judgment, and cooperation shall be considered.
4. The employee shall receive a copy of the annual evaluation.

5. All evaluations shall comply with State and federal law and any applicable collective bargaining agreement.

Family and Medical Leave (5:185)

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 or the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on (covered) active duty (as provided in federal rules.)
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., National Guard or Reserve military service or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every 6 months in connections with any absence by an

employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of 6 months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within 2 business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for 8 consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations and (2) the District reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMA regulations.

Implementation

The Superintendent or designee shall ensure that (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as the FMLA regulations.

Victims' Economic Security and Safety Act

Leave Description

In accordance with the Victims' Economic Security and Safety Act ("VESSA"), the District will provide employees, up to 12 weeks unpaid leave per rolling year for an employee who is a victim of domestic or sexual violence or has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. Unpaid leave from work may be taken to address domestic or sexual violence by:

1. Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's family or household member;
2. Obtaining services from a victim services organization for the employee or the employee's family or household member;
3. Obtaining psychological or other counseling for the employee or the employee's family or household member;
4. Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's family or household member from future domestic or sexual violence or ensure economic security; or
5. Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's family or household member, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.

* "Family or house hold member" is defined as a spouse, parent, son, daughter, other person related by blood or by present or prior marriage, other person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

Employees are entitled to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

An employee may elect to substitute any earned vacation time, sick leave, or other paid or unpaid leave the employee is entitled toward the 12-week period allowed for any approved leave of absence pursuant to this policy.

Requesting Leave

Any employee who desires a leave of absence pursuant to this policy must complete, sign, and submit an application for leave of absence to his or her immediate supervisor. The employee shall provide the District with at least 48 hours' notice in advance of the employee's intention to take the leave unless providing such notice is not practicable.

Certification

Every application for Leave of Absence pursuant to this policy must include a sworn certification by the employee that: (1) the employee or the employee's family or household member is a victim of domestic or sexual violence; and (2) the leave is for one of the purposes enumerated in the above paragraph. In addition, the employee must provide the following documents to the District within a reasonable time: (1) documentation from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing domestic or sexual violence and the effects of the violence; (2) a police or court record; or (3) other corroborating evidence.

Conditions of Leave

The following conditions apply to a leave of absence pursuant to this policy:

1. In its discretion, the District may require an employee taking approved leave of absence to periodically report on his or her status and intention to return to work.
2. An employee taking a leave of absence may not engage in other work or employment during the leave of absence. If an employee engages in other work or employment during the leave of absence, the employee will be considered to have violated the terms of the

leave of absence, and to have voluntarily terminated his or her employment with the District.

3. If an employee is granted a leave of absence on an intermittent basis or on a reduced schedule basis, the District may require the employee to temporarily transfer to an alternative position that accommodates the employee's recurring absences or part-time schedule.

Continuation of Health Benefits

During VESSA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the leave. The District may recover the premium that the District paid for maintaining coverage for the employee and the employee's family or household member under the health plan during any period of VESSA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired; and
2. The employee fails to return to work for a reason other than;
 - a. The continuation, recurrence, or onset of domestic or sexual violence that entitles the employee to leave pursuant to this policy; or
 - b. Other circumstances beyond the control of the employee.

Any employee who fails to return to work for a reason listed in 2(I) or (II) must provide to the District within a reasonable time a sworn certification by the employee that the employee is unable to return to work because of that reason and (1) documentation from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing domestic or sexual violence and the effects of the violence; (2) a police or court record; or (3) other corroborating evidence.

Return to Work

An employee returning from VESSA leave will be restored to the position of employment held by the employee when the leave commenced, or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.
