***Memorials***

**We have all known someone special, someone we have admired, respected and loved. Relationships such as these are priceless, and honor the persons who make them possible can be especially gratifying. People have found in charitable gifts a special way to commemorate a loved one. By giving in memory or in honor of others, we further a cause in which we believe, while creating a thoughtful remembrance.**

**Should you choose ERFAE as your memorial or honorable contribution, please know that your generosity is a positive contribution to the future of our local children. All contributions are acknowledged by the board, and the family of the honoree is notified of your memorial gift. If you wish to make a memorial contribution, please contact any ERFAE member, or the RCCU District Office at 618.395.2324**

## ***Leaving a Legacy***

One of the most powerful methods to guarantee hope for our future is to donate time and money to the education of children. ERFAE uses the proceeds they generate toward the advancement of quality educational experiences for the children of the Richland County School District.

A wonderful way for parents, grandparents, alumni, fraternal organizations and civic groups to provide a brighter tomorrow is to leave a legacy to the Richland County Schools through ERFAE, providing funding for enrichment activities, advanced learning, technology-based projects, and so much more.

All contributions are acknowledged by the board, and, if desired, all members of the President's Club and Ambassador's Club will be acknowledged with a picture and an article in the local newspaper, as well as online.

In addition to the ERFAE Ambassador Scholarship, ERFAE is also the administrative agent for the following scholarships.

- ◆ Green Scholarship Fund
- ◆ Zanetis Scholarship Fund
- ◆ Claremont Community Fund

If you are interested in setting up a scholarship fund, please contact an ERFAE member.
